

BROOKLYN BRIDGE PARK

WWW.BROOKLYNBRIDGEPARKNYC.ORG

Dear Neighbors,

We hope you are enjoying Brooklyn Bridge Park and have had a chance to picnic on the lawns of Pier 1, take your children to the playground at Pier 6, or catch a free weekend ferry to Governor's Island.

We also hope you will join us for some of the upcoming free, public programs in the park. Brooklyn Bridge Park is thrilled to offer everything from boating and kayaking, education programs for children and adults, to fitness classes, movies and cultural events, and more.

We wanted to let you know that some of the park's summer events, most notably the Thursday evening Movies With A View series (now in its 11th year), the Saturday afternoon Bridge Culture spoken word and music series, and a special recital by the Metropolitan Opera on Tuesday, July 20, will have amplified sound. We have done our best to minimize noise spillover outside the park's boundaries, onto the Promenade and adjoining streets. However, we ask for your patience, and your feedback, as we fine-tune the presentation of public events in our new park during its first year of operations, while you recognize the necessity of amplification for these well-attended events.

In the meantime, we hope you will join us at some of the exciting events coming up in the park this summer. We have endeavored to present a wide range of free cultural, educational, and recreational offerings to appeal to a broad audience. Whether you're a water enthusiast, an opera fan, a parent in search of an afternoon's entertainment for your child, or a tai chi participant, we hope there's something for you. You can find a complete schedule of programs at brooklynbridgeparknyc.org and brooklynbridgepark.org.

Thank you, and we look forward to seeing you in Brooklyn Bridge Park!
